

# EMORY UNIVERSITY

## DEPARTMENT OF EMERGENCY MEDICINE

### GRAND ROUNDS

***Keynote Speaker:* Jeffrey Brent, MD, PhD, FACMT**  
**Distinguished Clinical Professor of Medicine & Toxicologist**  
**University of Colorado**

**Jeffrey Brent, MD., PhD** is a Distinguished Clinical Professor of Medicine, University of Colorado School of Medicine and Colorado School of Public Health. He completed his Emergency Medicine Residency at Emory University and his Medical Toxicology Fellowship training at the Rocky Mountain Poison and Drug Center.

Dr. Brent has a long career of active research in medical toxicology. His Curriculum vitae lists nearly 300 publications of various kinds, including original research papers, abstracts, chapters, and reviews.

Dr. Brent is the senior editor of Critical Care Toxicology – The Diagnosis and Management of the Critically Poisoned Patient, now going into its second edition.

Currently, Dr. Brent is Principal Investigator and Director of the Toxicology Investigators Consortium (ToxIC), an NIH supported national multi-center study group in medical toxicology.

Dr. Brent is a former President of the American Academy of Clinical Toxicology (AACT), a former member of the Board of Directors of the American College of Medical Toxicology (ACMT), a recipient of the Louis Roche award from the European Association of Poisons Centres and Clinical Toxicologists, the Career Achievement Award from the AACT, and the Ellenhorn Award from the ACMT, and the Clinical Translational Sciences Career Achievement Award from the Society of Toxicology.
