EM Research Fellowship

The Emory University School of Medicine Department of Emergency Medicine is offering a two year SAEM approved Fellowship in Research. This fellowship is ideal for emergency medicine residency graduates with a strong interest in either emergency neurosciences or in injury prevention/public health. Fellows have the opportunity to pursue an advanced degree during their fellowship and will obtain skills necessary to become an independent researcher.

QUALIFICATIONS

- Board certified or Board eligible in Emergency Medicine and have completed an accredited Emergency Medicine residency program.
- Expressed interest and experience in clinical or public health research, be in agreement with the mission and vision of the Department of Emergency Medicine and understand the programs goals and objectives.

APPLICATION SCHEDULE

September 1: Interviews Begin
December 1: Application Deadline
February 1: Fellowship Awarded
July 1: Start of program

Emory Emergency Medicine Research Fellowship

Our mission is to be the preeminent Department of Emergency Medicine in the country by conducting groundbreaking research; developing innovative educational programs; delivering excellent healthcare; and enhancing public health.

Emory Department of Emergency Medicine is proud to offer a fellowship in Emergency Medicine Research. This non-ACGME program will provide postgraduate training in clinical research development and implementation, manuscript and abstract preparation, grant preparation and submission, knowledge translation and evidence-based medicine.

GOAL
To provide mentored career development in Emergency Medicine Research.

CORE COMPONENTS
- Research and Scholarly activity
- Research training and skill development
- Grant application preparation and submission
- Manuscript preparation and submission
- Clinical Practice of Emergency Medicine

POSITIONS AVAILABLE
- One Year Fellowship – July to June
- Two Year SAEM approved Fellowship with Masters Degree Completion – July to June

Program will accept 1-2 fellows per year.

LOCATION
Fellows will participate in operations at Grady Memorial Hospital (Level 1 Trauma Center), Emory University Hospital (Tertiary Care Facility) and Emory University Hospital Midtown (Community Based Practice).

APPOINTMENT
The Research Fellow will have the rank of Clinical Instructor in the Department of Emergency Medicine at Emory University School of Medicine.
